

## Chitarra Acustica - Gradi

• Lista brani alternativi per i gradi 3 - 8 •

*I candidati ai Gradi di Chitarra Acustica possono scegliere brani differenti da quelli proposti all'interno del manuale purché si tratti di brani di pari livello. Questi brani possono essere sia composizioni proprie o altrui.*

*La RGT ha stilato una lista di brani alternativi utile per chi desidera suggerimenti o nuove opzioni a questo riguardo. L'elenco è stato composto tenendo volutamente in considerazione la reperibilità delle trascrizioni e la loro qualità. Le trascrizioni sono presentate in entrambi i tipi di notazione: standard e tablatura, e nella maggior parte dei casi includono un CD dimostrativo.*

*Il Grado corrispondente a ciascun brano non è un valore fisso ma piuttosto un riferimento di carattere generico. Per esempio, al Grado 3 non è previsto un alto livello di interpretazione stilistica e espressiva, ma lo stesso brano può essere opportunamente inserito in un grado superiore se viene eseguito con la massima interpretazione stilistica.*
